Helping individuals & enterprises navigate their way through business

Services for Manx Businesses and Individuals

Corporate Options understands that small sized businesses and individuals may require assistance in managing their financial affairs which is why we offer services in the following areas:

Company Formation Services

Should you require a Manx company, we can prepare all the necessary paperwork to incorporate a company within 5 working days and liaise with the Isle of Man company registry in this respect. We also have shelf companies available for either the 1931-2009 Companies Acts or the 2006 Companies Act should a company be required within a short time.

Company Secretarial Services

Corporate Options can oversee the maintenance of the company structure ensuring compliance with the local regulations from preparing and submission of the company's annual return with the authorities to provision of individual or corporate directors and secretary, registered office or registered agent facilities and provision of nominee shareholders if required.

Bookkeeping Services and Financial Statements

Corporate Options is able to provide bookkeeping and financial statement preparation services for Manx companies.

VAT Advice and Return Services

We can advise you in relation to VAT matters, complete the necessary paperwork in respect of VAT registration, and prepare and submit VAT returns on a quarterly basis.

Isle of Man Tax Advice and Tax Returns

Corporate Options can advise on Manx tax matters as well as complete and submit Manx corporate and personal tax returns.

Payroll Services

We can provide local businesses with payroll services for employees.

Additional Services

In addition to the above services **Financial Options** can offer assistance in the following areas:

- Advise and arrange insurance for business premises/key man/life assurance

- Provide comprehensive investment advice

- Provide advice and applications for commercial loans or mortgages

- Provide advice in respect of pensions for employers and employees

Our Philosophies and Approach

We believe that *quality service is a right* that should be expected...the service we provide is the service we would expect to receive ourselves.

We believe that work performed should be of the *highest standard and without compromise*.

We believe that that the fee for our work should be *fair, realistic and transparent*.

Our services are wide ranging and are individually tailored towards meeting a client's requirements whilst our flexibility allows us to offer a personal and proactive service. At all times we listen and take account of the client's needs and cater our services specifically towards them by carefully liaising with the client or their advisers.
